## **2019 SUMMER DAY CAMP RULES & REGULATIONS**

It is advised that parents and guardians read thoroughly through the 2019 Summer Day Camp Rules & Regulations for safety among the participants and Community Government of Behchoko staff. For all children to have the best day camp experience, please make us aware of any needs that your child may have that will affect their participation. There are times when a child requires more support than our ratios provided. In this case, a day camp supervisor may request the parent/guardian to provide a support worker/aide to attend camp with their child. In addition, the Community Government of Behchoko will have additional staff available to ensure all campers have a positive experience by providing support as required.

**1. Respect your instructors at all times.**

- a.) No talking when they are talking.
- b.) Listen carefully when they are talking.
- c.) Obey all rules your instructor implements.

**3. Respect all other participants at all times.**

- a.) Absolutely no fighting.
- b.) No arguing, name-calling, or swearing.
- c.) Participate in each session and help others do the same.

**4. Respect the Property and Rules of the Community Government.**

**5. Disciplinary Action:**

**FIRST WARNING** is given along with an explanation as to why the behaviour is inappropriate. If the behaviour continues, it will be followed by the following disciplinary actions:

**SECOND WARNING** the participant will sit out of an activity for a period of time.

**THIRD WARNING** participant will sit out of a whole activity. The parents will be notified during afternoon pick-up of the behaviour.

**PLEASE NOTE** the camp leader has the right to arrange with the parent for the child to leave the camp for the rest of the day. If it continues, a phone call will be made to the parents to discuss the behaviour and their attendance may be suspended for a whole day. If the participant's behaviour shows no improvement, ultimately he/she may be asked to withdraw from the camp.

\*\*\*For fighting—one warning will be given on the first day of camp when we are explaining the rules of the camp. Any fighting may warrant an instant dismissal from the camp.

\*\*\*Valuables should be left at home. Any dangerous possessions will be confiscated (i.e. matches, jackknives, lighters, etc.).

### **Cancellation and Refund**

1. No refund if asked to leave the camp or if choose to leave part way through the week.
2. Please note that once a specific date has been paid for already, there is no substituting that paid day for another day of the week.
