

Department of
Culture and Lands Protection

The Tłıchq Government Department of Culture and Lands Protection (DCLP) is monitoring the impacts of the Tłıchq highway on wildlife. To accomplish this, we are asking all hunters to report their harvest. The information you provide will be used to help us understand the health of animal populations along the Tłıchq highway. **This form should only take five minutes to complete.**

When you complete this survey and submit a photo or video of your harvest, your name will automatically be entered for the chance to win a \$50 gas gift card.

Thank you for your help!

The information you provide belongs to you and will only be used anonymously (i.e., without your name).
