Principal's Message

I would like to take this opportunity to remind parents that April is a very busy month for students and staff at CJBS.

April 5th is the deadline for all assignments, in Grade 7-12, to be added to the 1st report card of Semester 2.

This is a very important deadline for all potential graduates who need 50% in

all of their required courses, on this report card, to remain on the final graduation list.

Teachers will be around on April 17 and 18th in the afternoon to deliver a report card during *home visits*.

I also hope to see lots of parent come to CJBS for our Parent Open House on Friday April 26th.

Happy Spring!

- Patti Turner

Keeping up with good attendance and hard work

Events to Remember

Midterm Cutoff - Friday, April 5 is the last day to pass in assignments to be included on the midterm report card. For potential grads, this date is especially important, since they must have a 50% in all of their required courses to remain on the grad list.

Home Visits and Report Card Delivery - On April 17 and 18, there will be school in the morning for all students. In the afternoon, teachers will be delivering report cards and visiting with parents. This is a good time to bring up any questions or concerns you have about your child's progress with their teacher.

Open House and Lunch - Parents and caregivers are invited to spend some time at the school in their child's classes, and to join us for lunch on Friday, April 26. Come and find out what your child's school day is like and enjoy a bite to eat.

No School on the following dates as teachers are participating in professional development on those days:

Friday, April 19

Monday, April 22

Industrial Arts

Greg's shop classes are hard at work - and it looks like there will be some sturdy and comfortable chairs hitting Behchoko this summer. Some even have a footstool.
