

Caribou Connect

**Remembrance Day
Assembly**
Thursday, Nov. 10th

SCHOOL TIMES
The school opens at 8:30 for students. Please ensure they do not come earlier, as it is getting quite cold.

Students on the Land...

We have been fortunate to find help to get our school tent up and running. Last week we enjoyed a cookout together as a school, and had a blast! If you are interested in coming out and spending time with the students, either sharing your skills, knowledge or stories, we would love to have you. Please get in touch with Kathy at the office. Events we are looking forward to doing this winter include ice fishing, sewing & beading, and snaring.
