# PUBLIC NOTICE

---

June 2022

Nighthawk Gold Corp. (“Nighthawk”) has commenced its 2022 mineral exploration drill program at the Colomac Mine Area (see map below).

- Mòwhì Gogha Dè Nıjıttèè
- Tłıchq Boundary
- Wek'èezhìi Boundary
- Tłıchq Community

1. Exploration drilling is expected to occur from May to December 2022. This is a continuation of exploration work Nighthawk has been doing in the area for several years.
2. The purpose for exploration program is to look for gold in the area.
3. Nighthawk Gold Corp. must follow rules in its Land Use Permits and Water Licences with the Wek'èezhìi Land and Water Board to protect the environment.
4. Under the Land Use Permits and Water Licences in their Engagement Plan, Nighthawk is required to tell the Tłıchq Government of any updates to their project.

If you have any questions, please contact Denise Lockett at Nighthawk Gold Corp, at [dlockett@nighthawkgold.com](mailto:dlockett@nighthawkgold.com); or Longinus Ekwe with the Department of Culture and Lands Protection Lands Regulation Division at [Longinus.ekwe@tlichq.ca](mailto:Longinus.ekwe@tlichq.ca).
